Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1.   (currently amended): A method for call diversion in a communications system with a plurality of terminals which are connected to a local area network, the method comprising the steps of:

activating a call diversion from a first terminal to a second terminal;

transmitting information relating to the activated call diversion to an agent unit; and

diverting a call for the first terminal using the transmitted information, wherein information is transmitted to the agent unit in a protocol layer above an H.323 protocol.

Claim 2.   (original): A method for call diversion in a communications system as claimed in Claim 1, wherein an H.323 protocol is used in the communications system.

Claim 3.   (original): A method for call diversion in a communications system as claimed in Claim 1, wherein the agent unit is a third terminal of the communications system.

Claim 4.   (original): A method for call diversion in a communications system as claimed in Claim 1, wherein the first terminal can be disabled.

Claim 5.   (canceled):

Claim 6.   (currently amended): A method for call diversion in a communications system as claimed in Claim 51, wherein the agent unit stores a list of the plurality of terminals connected to the local area network.

Claim 7.   (original): A method for call diversion in a communications system as claimed in Claim 6, wherein the agent unit controls the call diversion.

Claim 8.   (currently amended): A computer-controlled device in a communications system, comprising:

a plurality of terminals connected to a local area network; and

an agent unit for managing call diversions of the terminals, wherein the agent unit receives information relating to an activated call diversion from one of the plurality of terminals in a protocol layer above an H.323 protocol, and wherein the agent unit diverts a call from the terminal using the received information.

Claim 9.   (canceled).
